

Ta bort en publicerad webbplats

I detta dokument visas först hur du tar bort en webbplats på Netlify. Detta görs på samma sätt, oavsett om du publicerat den via GitHub eller om du publicerat den manuellt.

Därefter visas hur du tar bort en repository på GitHub.

Slutligen visas det hur du tar bort en lokal repository i Mac OS respektive Windows.

Ta bort webbplatsen på Netlify

The screenshot shows the Netlify dashboard for the team 'rune-kornefors's team'. The left sidebar contains navigation options: Sites, Builds, Integrations, Domains, Members, Audit log, Security Scorecard, Billing, Team settings, and Visual editor dashboard. The main content area displays a list of websites. The first website, 'brilliant-llama-c2179c', is highlighted with a red box. A yellow callout box with the text 'Ta fram listan över dina webbplatser och klicka på den webbplats som du vill ta bort, för att gå till dess sida.' is overlaid on the list.

Ta bort en repository på GitHub

The screenshot shows the GitHub dashboard in a browser window. The address bar displays 'https://github.com'. The top navigation bar includes the GitHub logo, a search bar with the text 'Type to search', and a user profile picture. The left sidebar contains a 'Dashboard' link highlighted with a red box. Below it, the 'Top repositories' section lists several repositories, with 'enur001/myWebSite' highlighted by a red box. A yellow callout box is overlaid on the main content area, containing the text: 'Ta fram listan över dina repositories och klicka på den repository som du vill ta bort, för att gå till dess sida.' The main content area shows the 'Home' page with a 'Trending repositories' section. The first repository listed is 'SakanaAI/AI-Scientist', which has a 'Star' button next to it. Below the repository list, there is a description of the repository and its tags, including 'JavaScript' and '169k' stars. At the bottom of the page, there is a footer with the GitHub logo, copyright information, and links for 'Terms', 'Privacy', 'Security', 'Status', 'Docs', 'Contact', and 'Manage cookies'.

The screenshot shows the GitHub repository settings page for a repository named 'myWebSite'. The browser address bar shows the URL 'https://github.com/enur001/myWebSite/settings'. The navigation bar includes links for Code, Issues, Pull requests, Actions, Projects, Wiki, Security, Insights, and Settings. The 'Settings' link is highlighted with a red box. Below the navigation bar, there is a warning box about limiting updates per push. The main content area is titled 'Danger Zone' and contains several actions: Change repository visibility, Disable branch protection rules, Transfer ownership, Archive this repository, and Delete this repository. The 'Delete this repository' button is highlighted with a red box. A yellow box contains the text 'Ta fram fliken Settings och scrolla ner till Danger zone.' and another yellow box at the bottom says 'Klicka på knappen Delete this repository och följ sedan de instruktioner som ges.' The footer shows the GitHub logo and copyright information for 2024.

Ta bort en lokal repository i Mac OS

Öppna mappen för din webbplats.
Tryck ned tangenterna Shift Cmd punkt, så visas dolda filer och mappar.
Släng mappen .git i papperskorgen.
Tryck sedan Shift Cmd punkt igen, för att dölja dolda filer och mappar igen.

Ta bort en lokal repository i Windows

Öppna mappen för din webbplats.
Ta fram fliken View och bocka i alternativet Hidden items, så visas dolda filer och mappar.
Släng mappen .git i papperskorgen.
Klicka sedan bort boken i Hidden items, för att dölja dolda filer och mappar igen.
